- Read and answer the questions about your martial arts, school, and home goals.

Martial Arts Goals:

- When do you plan to achieve your next four belts? Determine the number of classes that you will need for each rank.
- Determine the number of classes that you will need for each rank.
- Determine how many classes you will take each month. This will tell you how long to achieve each of your next belts. Be sure to plan for vacations, illnesses, and other activities that may get in the way of classes.
- When are you going to achieve your **BLACK BELT**?
- When are you going to achieve?
 - Side Splits
 - Left Front Splits
 - Right Front Splits
- How often are you going to stretch for this goal?
- How long are you going to stretch each time?

School Goals:

- What grades are you going to earn during the next quarter of school?

- How are you going to achieve them?
- What year are you going to graduate high school?
- What year are you going to graduate college?
- What do you want to do after college? Why?

Home Goals:

- Make a list of five things that you want to do or accomplish at home. Be sure to write down what you want to do, when you will get it done and how you are going to do it.
